

Dear Brothers and sisters,

Attached is the 2018-19 People of Hope calendar. We invite you to look through it use it as a resource in the months ahead. In it you will see the normal events and activities you would expect to see but in addition will find new items that have been incorporated. We would like to bring to your attention to these and a few other items:

- 1) FAMILY FORUMS:** On a few Friday evenings during the year we have planned Family Forums. These events are for those parents raising children and will include an inviting social dynamic as well as teaching and discussion on a wide range of topics. More details to come in the future
- 2) EVANGELISTIC EVENTS:** As a community we want to create patterns of evangelistic events for both men and women. Some events are already set and included here and others will be added in the near future. Keep a lookout for these events and be intentional about reaching out to family, friends and neighbors.
- 3) YOUTHBRIDGE MEETING:** You will see that on Sunday, November 18th there is a youth bridge meeting for parents. At that meeting we will take an updated look at various parts of the bridge, the common mindset we are invited to have, and how to take practical steps at supporting its realization. More details to come in the future
- 4) IGNITE / IGNITE MIDDLE:** The full Ignite calendar is visible including dates for our new middle school program. Keep these in mind and encourage your children to attend!
- 5) POH ONLINE CALENDARS:**
 - A.** This printed version of the calendar represents our absolute best efforts in terms of accuracy and content as of July 22nd, 2018. After this date there may be additional events and changes that take place (hopefully in a very limited fashion.) The BEST way to ensure you are looking at the most up to date POH calendar is to visit the website www.peopleofhope.net/calendar. At this site you can view the most up to date version of the calendar AND choose to add it to your phone or device with the click of a button.
 - B.** This year we have created 3 different online calendar options for viewing and syncing with your devices. Option 1 is the full complete calendar identical to this printed calendar. Option 2 is the POH member calendar with all leadership items removed from it. Option 3 is strictly a leadership calendar showing meeting dates and times that impact a limited amount of people
- 6) UNDERSTANDING THE CALENDAR:** On the next page you will find more information to help you understand and utilize the calendar.

Dates from September through December 2019 are included for planning purposes but other than the Fall retreats this portion of the calendar is subject to change. In Christ,

The Community Office

UNDERSTANDING THE CALENDAR

The following definitions and information will help you correctly interpret the calendar

Unscheduled – Weekends that are marked as “unscheduled” are available for various evangelistic or other community events that have not yet been developed. We want to be open to the promptings of the Holy Spirit and see where He leads.

Open – denotes either a day, a week or a weekend on which no community events will be scheduled.

Mission/District Weekend – previously a District Gathering weekend. This means that there will be some weekends when the entire district will be together for a “classic” district gathering such as a Christmas celebration and other weekends when the district will be split doing different evangelistic events.

Mission/Training Week – This week will be used for strengthening our internal mission through teaching and our external mission by making it available for evangelization.
