HEALING- HOPE FOR THE FUTURE

When I give you the healing that you ask for, look with hope for the future. The proof of my healing is not just in these great works being done, but in the renewal of your joy, in the renewal of your hope, in the renewal of your faith, and in the renewal of you looking to me as your source and looking to me for the future. (ref. Isaiah 65)

HOPE

Our first hope is our baptism, where the old is removed to make room for the new. Today we are called to be open for the Holy Spirit to remove the old things in us that are blocking our hope. Let the Holy Spirit remove old sin, old angers, old hurts and old bitterness. These things block our hope, our baptismal hope. In their place, allow the Holy Spirit to bring new grace, new love, new faith and new hope. Sisters and brothers of Hope, to be hope to the world and each other, allow the Spirit to renew and replace and rebuild a new baptismal hope in our hearts today.

YOU ARE KIND

Oh, my People of Hope, like the wise men I have invited you to come and do me homage at the stable. Yet I know that many of you are blocked with the temptation that you're not worthy to be there, you're not worthy because of past sins, because of your weaknesses, because of your failings, because of your present sins, because of what you do and the resolutions you don't do. But you, my People of Hope, I've invited you here. I don't even think of your weaknesses, of your failures. I don't even think of your sins. And what treasure do you bring me? Bring me your gold. Your gold, my People of Hope, is your kindnesses. You are very kind to each other. People of Hope, be very kind to each other. Be especially kind to those in your family and to those who don't know me. And like the shepherds who went out and told everybody what they heard, go out and tell everybody that the Lord your God is kind. (ref. Matthew 2:10)

PONDER YOUR BAPTISM

When I stepped into the Jordan River, I sanctified the waters of baptism for all time. So, please ponder this, what do you think happened when I entered you?
